## **WELCOME TO THE 2010 BRITISH BRANCH PROGRAMME**

The British Branch of IFA has an exciting technical programme for 2010, providing the ideal platform for members to learn, exchange views, and make new friends in the international tax community. It is a unique meeting place for everyone interested in international taxation, including tax managers and directors from industry, accountants, lawyers, and members of HM Treasury and HM Revenue & Customs. Our joint meetings, with HMRC and HMT, and with the Chartered Institute of Taxation, provide invaluable opportunities to exchange views with others in the tax community. This year we also have a "trilateral" meeting amongst the UK, German and Dutch branches of IFA.

If you have any suggestions for improving our programme, please do let me know. I look forward to welcoming you all over the coming year and hope that you find our meetings interesting, informative and enjoyable.

Tom Scott

Chairman, British Branch

We will contact you in advance of each meeting to confirm the venue and other arrangements.

Please note that registration is required for all meetings. A charge will be made for the joint meetings, including the trilateral meeting.
